

MATCH REPORT

North Wales Counties Ladies Match v Midlands Vets – Monday 5 July 2021

A 'friendly' vets match between North Wales Counties and the Midlands was played on Monday 5 July 2021 and hosted by the Midlands at Sherwood Forest Golf Club, Nr Mansfield. A long way to travel for us (about four hours) but a lovely heathland course. MWCGA contributed four players to the 12 strong North Wales Counties Ladies team. The North Wales Counties Team was:

Representing Mid Wales:

From Aberdovey: Mary Upson, Sally Wilkinson and Lynn Mamos (unfortunately Julie McAloon had to withdraw late on so Lynn filled in for us).

From Builth Wells: Hayley Price

Representing North:

From Royal St Davids: Ann Lewis, Mair Eluned Jones, Shuna Sweeting

From Henllys Hall: Julie Snelson,

From Conwy: Paulene Williams, Jeanette Williams, Nicola Phillips

From Abersoch: Grainne Pendlebury

We had a lovely dry sunny day for this year's match. It was a closely fought 4BBB match with some excellent golf played. We had hoped that we might come away with at least a halved match but unfortunately the final score was a Midlands victory of 5 – 1. A match meal concluded a most enjoyable day.

The total cost to MWCGA was £199.00 against a budget of £150.00 which was carried over from 2020 when it was to have been a home match. The accommodation costs were £147.00 (room only) and four match meals were £52.00. The MWCGA players funded their own travel expenses (a total of circa £120.00, fuel only).

North & Mid Wales will be hosting the 2022 match at Holyhead Golf Club on Monday 4 July 2022. Hopefully MWCGA will be able to field another four (single figure handicap) County players for that match.
